

Senior Planner
Town of Snowmass Village, CO

Salary: SALARY RANGE: \$50,800 - \$68,500 D.O.E.

Performs professional and complex planning work including the review of major developments, PUD administrative modifications and building permit applications. Responsible for providing professional planning analysis of development projects determining consistency with all applicable adopted PUD plans, codes and standards, identifying related issues, and providing substantive recommendations to the Planning Director, Planning Commission or Town Council. Necessary abilities include providing pro-active project management in a team-based environment, effective report writing, public speaking/presentation skills, customer service, and interpretation of codes and regulations in the field of planning and zoning. The planner may also be involved in long range planning projects including updating the comprehensive plan.

Requires a bachelor's degree in Urban Planning or closely related field (AICP preferred) and three years experience in local government planning, or an equivalent combination of knowledge, skills, education and experience. This position was previously advertised but not filled. Past applicants may reapply for consideration at this time.

Submit Town Application available from website (www.tosv.com) along with a cover letter and resume stating your interest and qualifications to: Snowmass Village Planning Department, P.O. Box 5010, Snowmass Village, CO 81615. FAX: (970) 923-1861 or Email:cconrad@tosv.com. Apply ASAP as applications reviewed upon receipt and position only open until filled. EOE
