THE CITY OF ASPEN

# Carpooling is Easy!

## Save Time!

Carpoolers may use the High Occupancy Vehicle (HOV) lanes on Highway 82, getting a jump on drive-alone traffic!

---

## Save Money!

Carpools of two or more adults (of driving age) can park for FREE in designated locations around Aspen with a daily carpool parking permit. Free permits are available from the Airport Parking Kiosk and the Aspen Parking Office.

### Save even more:

- Share the cost of gas
  - Reduce wear and tear on your car by splitting driving duties
  - Check with your insurance provider about carpool discounts
- 

## Save the Environment!

For every 25 miles you drive, one pound of pollution is released into our atmosphere. Clear the air and your conscience by carpooling.

---

## It's Free!

Visit [www.CommuterConnect.net](http://www.CommuterConnect.net) for instant access to carpool partners.

### CommuterConnect will also help you:

- Form carpools for taking your children to school
- Track your cost and carbon savings for prizes
- Form carpools for special events and trips to the Front Range
