

WINTER 09/10 PARKING AND TRANSPORTATION INFORMATION

PARKING INFORMATION:

1) Resident permit prices will remain the same for the upcoming 2009/2010 Winter season. This will mark the fourth year without a permit price increase. Residents are still allowed a maximum of three permits per household. Of the three permits allowed, you may **purchase only one of each** of these permit types:

- 1st Resident Permit = \$55.00
- 2nd Resident Permit = \$100.00
- 3rd Resident Permit = \$185.00
- Resident "R" Permit = \$35.00

2) The Aspen Skiing Company (ASC) will again be operating the day skier parking lots: Base Area Lot C, Lot E, and the Two Creeks lot. Lot C and the Two Creeks Lot will be for Day Skier and HOV parking. TOSV issued Guest permits will be valid in the Two Creeks parking lot. **No other Town of Snowmass Village parking permits will be valid in the Base Area Lot C or Two Creeks parking lots.** ASC personnel will be staffing the parking lots, as well as, handling day skier permit sales at Lot C and Two Creeks. The ASC will also be offering multi punch passes and seasonal parking passes for the previously mentioned lots. For more information call the Aspen Skiing Company at (970) 925-1220.

3) For the winter season there will again be time-restricted parking spaces in lot 6 and upper lot 5. This has been done to make it more convenient for people to access the Mall for short periods. Please be aware of the location and posted time limits of these parking spaces.

4) If at anytime during the season you **sell your vehicle or replace your windshield**, remove as much of your sticker as you can and bring it to the Transportation Office (with new vehicle registration) for a **no charge replacement. Failure to return the old permit will result in a full charge fee for replacement.**

5) Vehicles may **not be stored** in any town parking lots. The Snowmass Village Police Department requires all vehicles to be legally registered, permitted, mechanically sound and moved to a plowed parking spot every 7 days or following a snowstorm. **Vehicles not moved within 7 days, or following a snowstorm will be subject to ticket and tow.**

TRANSPORTATION INFORMATION:
