Should the person to whom the penalty assessment notice is tendered accept said notice, such acceptance shall constitute an acknowledgement of guilt by such person of his or her violation of the offense stated in such notice and a promise on such person's part to pay the fine specified in the official penalty assessment schedule of the Town, either in person or by mail within twenty (20) days of the date of arrest. Refusal or inability to remit the specified fine by mail when required shall constitute a refusal to accept a penalty assessment notice. The officer shall advise the person arrested of the points to be assessed in accordance with state law. Acceptance and payment of the prescribed fine shall be deemed a complete satisfaction for the violation, and the violator shall be given a receipt which so states when such fine is paid in currency or other form of legal tender. Checks tendered by the violator and accepted by the Town and on which payment is received by the Town shall be deemed sufficient receipt. Should the violator refuse to accept the notice prescribed above when tendered, the officer shall proceed to issue a summons and complaint requiring appearance of the violator in Municipal Court. Should the violator accept the notice but fail to pay the prescribed penalty within twenty (20) days thereafter, the notice shall be construed to be a summons for the particular charge indicated, and the prosecution for said violation shall thereafter be heard in

the Municipal Court, and the violator shall be privileged to answer the charge made against him or her in the same manner as if he or she had not been served with a penalty assessment summons. (Prior code Ch. XV §1-3; Ord. 4-1994 §1; Ord. 5-2007 §1)

Sec. 8-5. Validity.

If any part or parts of this Article are for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Article. The Town Council hereby declares that it would have passed the ordinance codified herein and each part or parts thereof, irrespective of the fact that any one (1) part or parts be declared invalid.
