(see reverse side)

A contractor is responsible for any type of construction he/she may contract to build in the Town of Snowmass Village. Building permits must be obtained before any work can be started.

The Town Building Inspector, as required by the International Building Code, International Residential Code, International Mechanical Code, International Plumbing Code, and the building permit conditions, must inspect all work.

I certify that the above information is true to the best of my knowledge.

Licensee Signature

Date Signed

If you do not employ any workers, you may sign the following Worker's Compensation Waiver in lieu of providing us with a certificate of insurance for worker's compensation. Please read the following carefully before signing.

Worker's Compensation Waiver

I certify that in the performance of the work for which this registration is issued, I will not be employing any person(s) so as to become subject to the worker's compensation laws of the State of Colorado.

If after making such certification, I become subject to the worker's compensation provisions of this code, I shall forthwith comply with the Worker's Compensation Act of Colorado (Articles 40-54 of Title of the Colorado Revised Statutes).

Licensee Signature

Date Signed

Sign only if you do not have employees and do not carry worker's compensation insurance.

LAWFUL PRESENCE AFFADAVIT

I, _____, swear or affirm under penalty of perjury under the laws of the State of Colorado that (check one):

I am a United State citizen

I am a Permanent Resident of the United States

I am lawfully present in the United States pursuant to federal law

I understand that this sworn statement is required by law because I have applied for a public benefit. I understand that state law requires me to provide proof that I am lawfully present in the United States prior to the receipt of this benefit. I further acknowledge that making a false statement is punishable under criminal laws of Colorado.
